

APPENDIX 1 ADMINISTRATIVE FEE

The payment of a fee is necessary and indispensable to ensure a better and faster management and implementation of the Athlete transfer monitoring and regulation system through the issuance of the ITC.

The administrative fee has been fixed as follows and shall be paid by the New Club.

The administrative fee will have a value of:

- 200 USD when the ITC is issued by the WBSC; and
- 100 USD when the ITC is issued by the CA.

Except as set forth in Article 10, this fee must be paid each time an Athlete has to make a transfer between countries or between continents thus requiring a new ITC.

The receipt certifying that the payment has been made is the last piece of paperwork required to complete the transfer by securing the issuance by the WBSC of the ITC.
