

Baseball Official Approved Non-One-Piece Wooden Bat List

Valid for the period of 30.5.2025 – 31.12.2026 – V 1.1

These are the **non-one-piece wooden bats**, which have been approved by WBSC Europe and can be used in the following WBSC Europe Baseball Competitions and Tournaments:

- European Championship – B Pool
- European Championship U23 B Pool and U18 B Pool
- Federation Cup and Federation Cup Qualifiers

This list is being updated by WBSC Europe and the most recent version is the only valid version at any point of time. The most recent version will always be at:

<https://www.wbsceurope.org/en/documents>

Following list consists of all manufacturers who's non-one-piece wooden bats (Wood composites) that are checked & approved for this category once the license fee has been paid:

1. **Baum Bats**
2. **Kr3 Bats**
3. **Pinnacle / Bamboo Bats**
4. **DeMarini (NEW – Added 30.5.2025)**

NOTE: All bats in this category must be BBCOR 5.0 certified and marked accordingly (see example image on the right).

Any questions? Need to get your bats approved by WBSC Europe?
